The diagram illustrates a file dependency structure. At the top is a header file box containing the path `/home/vilchez/Bureau/dynspec/src/ICD3-ICD6-Rebin/Reader_Root_Part.h`. Below it are two source file boxes. The left box contains `/home/vilchez/Bureau/dynspec/src/ICD3-ICD6-Rebin/DynspecPart.cpp` and the right box contains `/home/vilchez/Bureau/dynspec/src/ICD3-ICD6-Rebin/Reader_Root_Part.cpp`. Two blue arrows point from the top of each source file box to the bottom of the header file box, indicating that both source files include this header.
